ARTISTIC DIRECTOR AND ACCOMPANIST

Chad Sheridan - Chad is thrilled to continue serving as the Northland Chorale's Artistic Director! He has been directing for 5 years and performed with the Chorale for 5 years before that. When not with the Chorale, Chad is a music teacher at Stukey Elementary School, where he directs two choirs and the annual musical production. During his professional music career, Chad performed with the Kantorei choir in Rockford, Illinois, and also had the pleasure of sharing the stage with greats such as John Denver and Kenny Rogers! Chad was honored to perform with the Northland Chorale and Stukey Singers at Red Rocks Amphitheater in 2017. When not performing, Chad greatly enjoys spending time with his family and traveling.

Patti Abbate - Patti brings a wealth of expertise and knowledge to 23 years of NLC. As a performance/rehearsal accompanist, contract musician, and private piano teacher, Patti has shared her talents within churches, musical theater, dinner theater, dance studio and other performance groups in both Colorado and Florida. We are thankful for the musical talent she brings. Patti is looking forward to more great seasons ahead.

ABOUT

Stukey Singers

Stukey Elementary School, part of the Adams 12 Five Star Schools district, has served the Northglenn community since 1968. The Stukey choir program, founded in 2014 by director and music teacher Chad Sheridan, encourages motivation, confidence, perseverance, creativity, and teamwork through music. We believe the arts are an essential part of a well-rounded education and enjoy sharing our students' talents with the community. We are proud to partner once again with the Northland Chorale Show Choir. Join us for Stukey's annual spring musical, *Finding Nemo*, May 12th & 13th at 6:00pm at Stukey Elementary.

A Stukey Special Thanks

Parents and guardians are the unsung heroes of the arts and play a vital role in supporting the next generation. We extend our sincere gratitude to the families of the Stukey Singers for their continued support, including providing transportation, assisting with costumes, volunteering their time, and most importantly attending their children's performances.
